

WELCOME TO BAXTER'S LAKESIDE GRILLE

An authentic American restaurant with a great bar...that's the idea behind Baxter's. We're perfect for just about any dining occasion or gathering that calls for great food, warm, personal service and an inviting, casual atmosphere.

Our classic American restaurant builds on the rich history and tradition the Lake Area is known for. We use only the finest, freshest ingredients, coupled with personal service and warm, inviting surroundings. We're happy to bring this dining experience to the Lake of the Ozarks.

Baxter's is the perfect place for a business or casual lunch, a special evening out, a family get together after a long day on the Lake, or "just because." We can accommodate most any group — from an intimate dinner for two to a business or family party — in our private dining room. And don't forget our classic American bar, one of the Lake's great places to meet friends and family.

PRIVATE PARTIES AND CATERING

It's easy to plan the perfect party or event when you leave it to Baxter's. We can do the catering, provide the space—and there is never a rental fee for rooms.

Our private room is perfect for meetings, family gatherings, parties, and more. We'll customize a catering menu specially designed to suit your tastes. Or, if you prefer, order directly from our menu. We'll also cater your events at locations outside Baxter's.

GIFT CARDS

Baxter's Gift Cards are a great present for holidays, birthdays, employee incentives or "just because." And don't forget to ask about our Corporate Gift Card Program!
