BAXTER'S
LAKESIDE GRILLE

At Baxter's, the safety and health of our guests and team members have always been a top priority. We look forward to serving you with enhanced protocols in place.

OUR COMMITMENT TO YOU

- 1** All employees will have their temperature checked upon arrival and will maintain strict adherence to all CDC protocols, especially frequent hand washing for at least 20 seconds.
- 2** We have set up our dining room, patio and bar to continue social distancing so our guests can continue to feel safe and comfortable throughout our restaurant.
- 3** All tabletop items have been removed to support a sanitary environment.
- 4** Team members are assigned to oversee our enhanced protocols for disinfecting of frequently touched surfaces.
- 5** Any team member not feeling well will not be allowed to work and will be required to seek testing for COVID-19. Such team members will be placed on paid sick leave as needed.

TO HELP ALL STAY SAFE, WE ENCOURAGE GUESTS TO:

- Help us maintain a safe and healthy environment by staying home if you are not feeling well. In these cases, please utilize our curbside pickup or delivery service.
- Respect, understand the need for, and adhere to the social distancing we have in place.
- Understand that, while some procedures are different, our goal is to continue providing the BEST dining experience at the Lake of the Ozarks — what you have come to expect from Baxter's.
